PROTECTING THE WEST SLOPE

My name is Kathleen Curry, and I am running for Colorado House District 58. The decisions made at the Colorado Capitol have a direct impact on the people of the West Slope, and I want to put my experience to work to protect our interests. My family runs a cattle ranch operation, and my passions are protecting west slope water and fighting for agriculture.

I have been working for the past five years, advocating on behalf of several water, agriculture, and wildlife entities at the Capitol to ensure their voices are heard. In addition, I previously served for three terms as a representative from 2005-2010. Given the challenges we are facing both regionally and as a state, I believe it is time for me to step up again and try to help address those challenges.

I hope you will consider supporting my campaign, and if you are a voter in HD58, I hope I can earn your vote. My previous experience as a member of the legislature, combined with my current work at the Capitol, puts me in a great position to hit the ground running and be effective as the next representative from HD58.

Thank you for your consideration!

Kathleen
