## A PLEDGE FOR PROGRESS

My name is Kathleen Curry, and I am running for Colorado House District 58 with a clear vision to serve the people of the Western Slope effectively. My family runs a cattle ranch operation, and I am determined to use my experience and knowledge to protect Western Slope water and agriculture.

I am a strong advocate for women's reproductive rights, rural healthcare, public education, and affordable housing, and I will work faithfully to provide much-needed help for our marginalized citizens and those with mental health challenges.

Over the past five years, I have been tirelessly advocating on behalf of several agriculture, water, and wildlife entities at the Capitol, ensuring their voices are heard. This, coupled with my previous three terms as a representative from 2005-2010, has equipped me with the experience and knowledge to serve HD58 effectively.

Given the challenges we face regionally and as a state, I am determined to step up and address those challenges. I believe in our ability to overcome these obstacles and create a better future for HD58.

I hope you will consider supporting my campaign, and if you are a voter in HD58, I hope I can earn your vote. With my unwavering commitment to serving the people of Western Slope, I am confident that I can make a positive difference.

I appreciate your consideration!
